Mum sold her semi-detached house in England and bought a flat in Spain.  
 We live in a detached four-bedroom house in the country.  
 Gran lives in a small terraced house.  
 We decided to buy an apartment in a block of flats in the city centre.  
 His apartment is on the fifteenth floor of that new block near the station.  
 It was a beautiful country cottage with a thatched roof and a huge garden.  
 She lives in the northwest suburbs and comes into the city every day to work.  
 The murder happened in a quiet residential neighbourhood.  
 They have an apartment on the outskirts of Geneva.  
 Shani decided to convert the attic into a third bedroom.  
 Roy was keen on wine and decided to turn the old coal cellar into a wine cellar.  
 I ran back to close the gate so that the dog wouldn't get out.  
 The decorator had painted the walls but had forgotten to paint the ceiling!  
 I park my car in the garage and my husband parks his car on the drive.  
 It had been a hectic day and I was glad to stop rushing around.  
 The house had a spacious living room but the bedrooms were all very small.  
 He owns a few properties that he rents out to students.  
 St Paul's Cathedral is in the centre of London.  
 The film was a commercial success and she became very rich.  
 I asked the hotel for a bedroom with an en-suite bathroom.  
 We can catch the tube out to the airport.  
 The brochure described the trip as 'the holiday of a lifetime'.  
 Charlotte and Fleur meet once a week for a game of squash.  
 The house was a complete mess – it took us a week to clean it up.  
 Doesn't he ever wash that jacket? It's filthy.  
 Have you changed the sheets on both the beds?  
 She rubbed herself dry with a towel.  
 The boys were making rude remarks about their teacher.  
 If you're not completely satisfied, we'll give you a refund.  
 I've had a great gap year, but now I'm glad to be homeward bound.  
 The Arctic Monkeys were on a tour of one-night stands in America.  
 There was an endless stream of chatter coming from the back of the coach.  
 I used to long for a baby sister.  
 He's not really angry – he's just pretending.

The boy's mother tried to comfort him after his father's accident.  
 It's an area of wild mountain scenery and unspoilt villages.  
 As we drove through the mountains we passed lots of tiny farms.  
 It was a pretty dull party so we left early.  
 It cost an enormous amount of money.  
 Benidorm is too touristy for me – I prefer somewhere quieter.  
 We found a small hotel in a quiet fishing village with a picturesque harbour.  
 There were lots of places to eat and the nightlife was quite lively.  
 We went on a tour of historical towns and cities like York and Winchester.  
 Mexico City is one of the most polluted cities in the world.  
 Hawaii is a paradise for windsurfers and for snorkelling.  
 Our class did a survey on school dinners to see which was the favourite.  
 We conducted a survey of people's eating habits.  
 What are the criteria for selecting the winner?  
 The government is trying to improve the provision of childcare facilities.  
 Children should get more outdoor recreation rather than sitting in front of TVs.  
 Some countries lack a suitable economic infrastructure.  
 The other team had an unfair advantage.

We went to different shops to compare prices.

Bill Gates runs Microsoft and he is the richest man in the world.

According to our records, she hasn't paid her bill.

Helen was searched when she came through Customs at the airport.

Fish is the speciality in most of the restaurants along the coast.

The plumber came to check the central heating boiler.

I set off the burglar alarm when I broke the window.

Ben always takes a small alarm clock with him when he's away from home.

There's more milk in the fridge.

Consumers are enjoying lower airfares than usual.

London jobs are better in terms of money but worse in terms of commuting.

I had to cancel my trip to Rome because I was ill.

It's hard to make a prediction about who'll win the championship this year.

I rang the shop and asked to be put through to the manager.

His secretary said he would call me back later that afternoon.

When I rang him, his wife answered and asked if she could take a message.

I left a message on him voicemail saying I'd meet him at eight.

It was the first time we had done a house swap, but the holiday was great!

Although I've enjoyed the holiday, I can't wait to get home.

You can put the fan on if the room gets too hot.

I'm covered in mosquito bites!

All the boys wanted to do was lie on the beach and get a suntan.

On the one hand, sunbathing is nice and relaxing.

On the other hand, I get bored just lying in the sun and it feels like a waste of time.

The cross is a monument to the men who died in battle.

She is now fifth in the world snowboarding rankings.

Religious people think more about spiritual wealth than about money.

Many people think that material wealth is the most important thing in their lives.

Could you lend me £10? I'll pay you back tomorrow.

I wouldn't pay that much for it, it's not worth the money.

Carlos thought the trainers were good value for money, and bought two pairs.

You'll only have two days in London, so use your time wisely and don't waste it.

To save money, Layla only ever buys clothes when the sales are on.

We'll save time if we take a taxi to the station instead of walking.

Most students take a part-time job to earn money during the holidays.

I'd buy a car if I had the money to spare.

I'm going to decorate my room when I've got time to spare.

He wastes money buying new mobiles every few months to stay in fashion.

Don't waste time asking Mum what she wants for her birthday – she never knows!

The police don't have enough evidence to convict him.

My best friend accused me of stealing her boyfriend!

He advised her to invest all her money in the business.

He invested all his spare time in trying to improve his game.

The old woman gave all her money to a fast-talking trickster.

He always cheats at cards.

Lee's boyish charm always gets him out of trouble.

The police will remove any illegally parked cars.

He's a selfish, egotistical man who thinks nobody is as good as him.

He was charming and friendly but I never felt I really knew him – truly a man of mystery.

The serial killer was wanted by the police in six states.

Children are very good at making up stories to get out of trouble.

His mother and father were always arguing, and finally broke up altogether in 1976.

The group gets smaller as members move away or drop out.

When did you last eat a proper meal?

In the restaurant, the dish of the day was Spaghetti Bolognese.

The service was very good, so I left the waitress a generous tip.

The waiters added all the tips together and then shared the money equally between them.

What's for dessert? Is there any ice-cream?

I ordered a side dish of mixed vegetables.

The tablecloth was stained with wine.

The tables were set with white tablecloths and red napkins.
