He was tall, dark and handsome.

When I was in England, I lived with a host family.

She's a very happy person, she laughs all the time.

I'm interested in French literature.

She has a lovely face.

My parents are middle-aged. They are fifty years old.

He moved in with his girlfriend last week.

She's a very nice girl. I like her a lot.

My grandfather is very old. He's ninety five years old.

His face is pale because he never goes out in the sun.

The sea is quite warm in Greece in the summer.

He's short for his age. All the other children are taller.

She's very shy and doesn't talk to people easily.

She's tanned from sunbathing every day.

My job is very tiring. I work for many hours every day.

This house is so ugly! I don't like it at all.

It's lovely and warm in this room.

My father is retired. He doesn't work anymore.

Can you use an electric drill?

It's necessary to take an umbrella with you. It often rains in the evening.

Her birthday is on the first of May.

This TV doesn't work. We must replace it.

She has long, thick hair.

When she goes jogging, she wears her trainers.

Why did you take an umbrella with you? The day is beautiful.

When is your birthday? Mine is on the first of December.

She used some wrapping paper to wrap the presents.

She became a very good doctor.

Do you like puzzles? I love them.

She used the glue to put all the pieces together.

If you find a wallet, you must hand it in to the police.

My little brother likes doing jigsaw puzzles.

Don't lose this receipt. You must keep it.

He has no idea why his mother isn't at home.

I didn't notice you come in.

Can you give me a piece of paper? I want to write something.

The children put together the pieces of the jigsaw puzzle.

My uncle is very rich; he's got a lot of money.

I can't solve this puzzle. It's too difficult.

They live in a tiny house.

They live in house near the airport and it's very noisy.

He's very careful about his appearance.

Ian is a colleague of mine. We work together in the office.

Can you describe the features of your best friend?

When the teacher talks, I always take notes.

What type of food do you like?

The weather was awful. We stayed in the hotel room all the time.

Can you catch the ball?

She lives in a small flat in the city centre.

Independence Day is a holiday for Americans.

Can you ride a motorbike?

My friend is never on time. She's always late.

The thieves came in through the window.

It's a very long flight from London to Singapore.

She's very gentle with young children.

Good luck with the football match. I hope you win.

There weren't any single rooms at the hotel, so I booked a double room.  
 The honeymoon suite at this hotel is very luxurious.  
 They have a swimming pool at their house and they swim every morning.  
 She had a beauty treatment before the party.  
 The two friends booked a twin room for their holiday.  
 He's very efficient. He does his job well and fast.  
 Have you ever been to Greece? It's a beautiful country.  
 He took a jumper with him because it can get quite cold in the evening.  
 When they arrived at the town, they went to see the sights.  
 I've been to America twice this year.  
 I didn't have an appointment, but the doctor managed to fit me in.  
 Joe has a very healthy lifestyle. He doesn't smoke and he goes jogging twice a week.  
 Travelling around the world was the experience of a lifetime.  
 There was a problem with my room, but the receptionist sorted it out.  
 There aren't many travellers in this part of the country.

John studies Biology at university.  
 She always listens to her parents and never breaks the rules.  
 I think Chemistry is a very difficult subject. I don't understand it.  
 When she finished school, she went to college.  
 Many students think Geography is boring, but I like learning about new places.  
 History is very interesting because you learn what happened in the past.  
 Oxford University is one of the oldest educational institutions.  
 Helen is four years old and goes to kindergarten.  
 How many foreign languages can you speak?  
 Einstein taught Mathematics at university.  
 His movements are always slow and careful.  
 Physics is a subject that studies the rules of nature.  
 My child is very young and goes to primary school.  
 When I broke the rules my parents made me stay in my room as a punishment.  
 What are your favourite school subjects? 'I like History and languages.'  
 She doesn't like Science because she can't understand it easily.  
 What do you want to do when you finish secondary school?  
 The speed limit here is 60 kilometres an hour. Don't go faster.  
 "Did you go to university?" "Yes, I went to Oxford."  
 He has a bank account and that's where he keeps all his money.  
 You are ill - you must avoid going to work for a few days.  
 She's an American citizen. She was born in the USA.  
 Sharon is doing a language course to improve her German.  
 Learning to drive isn't difficult, but you have to be careful.  
 She pushed the door and entered the building.  
 When you finish the course, you must pass an examination.  
 What was his explanation for not coming to our party?  
 She parked in the wrong place and had to pay a fine of 70 euros.  
 When you arrive at the main road, you must give way to other cars.  
 My car can go faster than yours.  
 You can't have a gun in your house in most European countries.  
 He always carries his identity card with him when he goes out.  
 Immigration has become a serious problem for many Western countries.  
 There has been a great improvement in her work recently.  
 Look! There is a new green leaf on the tree! Spring is coming.  
 In my country men have to do military service for a year.  
 She was a first-time offender, so she only paid a fine.  
 A police car overtook us.  
 To go to the next class you must pass a test.  
 Don't forget to get some petrol before you start the journey.  
 Jim got some points on his driving licence because he passed a red light.

Is it possible to get a train to Bristol from here?

He's been in prison for two years. He killed somebody.

When you learn to drive, you also learn the road signs.

Are the rules of the road the same in your country?

I always wear my seat belt when I'm driving.

You have to stop at the red traffic light.

I passed my history test .

We don't have traffic lights in my village. We don't need them.

He drives a small van.

He gave an account of his conversation with Jane.

There were six columns of names in the newspaper.

Some countries have compulsory military service.

The cost of life in the city centre is very high.

The education of small children is very important.

What are the fees for this course?

She's at intermediate level in English, but she can understand a lot.

What's the length of studies if you want to become a doctor?

He's five years old and goes to nursery.

Studying art and music is optional in our school.

Pre-school education is optional, but helps children learn about school life.

He went to an expensive, private school.

He explained the reason why he was so late.

They had a review of the system to try and improve it.

The school system is suitable for all children.

Anna took some specialised courses in computer science.

They put all the information they had in a table and tried to find the connections.

They've made some arrangements for their journey next week.

She decided to change careers and become a teacher.

How many children are there in this classroom?

He has a lot of confidence and isn't afraid to give his opinion.

There was a lot of noise in the room, but I continued reading my book.

Kate doesn't live alone. She has two flatmates.

Helen has a full-time job as a secretary.

Craig is worried about the future because he hasn't got a job.

Sophia has joined the gym, she wants to get fit.

She was my mother's lifelong friend.

Life-saving is a very useful skill, especially if you live near the sea.

Katrina has a part-time job, but she's also studying to be a nurse.

Seeing her grandchildren gives her a lot of pleasure .

The prospects of finding a better job are small.

There are 30 pupils in my class.

I didn't recognise my sister in the dark.

He has many skills, like computers and languages, which make him very useful at work.

You must call a specialist. The computer doesn't work.

We enjoyed our stay at the hotel.

Miss Lind is my English teacher.

I'm flying to Brussels the weekend after next.

Her training as a doctor saved the man's life.

When I was at university, my tutor helped me a lot with my studies.

She was late for her appointment and she had to run.

George went to the dentist because his tooth hurt.

I made an appointment with the doctor.

I don't understand how to use this strange device.

Can you hold the baby for a moment, please?

She had a lot of luggage and took a taxi home.

Is there any proof of your story?
